

## GETTING A COMPUTER

### COMPUTERS FOR RURAL PEOPLE

The **Arthur Rank Centre** based at Stoneleigh Park, Warwickshire is running a 'not for profit' scheme to provide people in rural areas with affordable computers. The Charity has been appointed as a Disposal Agency for ex Government computers which have been refurbished 'good as new'. Many people have benefited so far including the farming community, rural schools, village hall groups, senior citizens and a number of charities.

Computers available include Pentium 3 laptops and top of the range Pentium 4 desktops with Windows XP preinstalled both priced at £225. The price includes VAT, delivery and full warranty. For further information contact:
